| Recommendation 2.4 | Yes | The Board is comprised of a majority of independent Directors. |
| A majority of the board of a listed entity should be independent directors. | | All directors holding office at 30 June 2024 are considered independent. |
| | | Given the size and scope of Aurora's operations, the Board considers that it has relevant experience in the industrial technology sector and is appropriately structured to discharge its duties in a manner that is in the best interests of Aurora and its Shareholders from both a long-term strategic and operational perspective. The Board will consider the appointment of further independent Non-Executive Directors as suitably qualified candidates are identified and as the size and scale of Aurora's operations warrant such appointment. |
| | | Aurora's recent focus on Defence related opportunities has seen the appointment of appropriately qualified director Mr Andrew Garth in June 2024 (Refer Annual Report for further details on Mr Garth's qualifications and experience). |
| Recommendation 2.5 | Yes | The Chairman of Aurora (Mr. Grant Mooney) is an independent Director. |
| The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity. | | The fact that Mr Mooney performs the role of Company Secretary does not in the Board's view compromise his independence. |
| Recommendation 2.6 | No | Aurora does not currently have a formal induction program for new |

| Recommendation 4.2 | Yes | Aurora obtains declarations from its Chief Executive Officer and |
| The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively. | | Company Secretary before its financial statements are approved substantially in the form referred to in ASX Recommendation 4.2. |
| Recommendation 4.3 A listed entity that has an AGM should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit. | Yes | The Company's external auditor was invited to, and attended, the Company's annual general meeting held on 29 November 2023. Shareholders were provided with opportunity to question the auditor about the conduct of the audit and the preparation and content of the auditor's report. |
| Principal 5: Make timely and balanced dis | closure | |
| Recommendation 5.1 | Yes | Aurora has adopted a Continuous Disclosure and Market Communications Policy. |
| A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under the Listing Rule 3.1 | | Aurora is a "disclosing entity" pursuant to section 111AR of the Corporations Act and, as such, will be required to comply with the continuous disclosure requirements of section 674 of the Corporations Act and Chapter 3 of the Listing Rules, following admission to ASX. |
| | | Aurora is committed to observing its disclosure obligations under the Corporations Act and, following admission to ASX, its obligations under the Listing Rules. All announcements provided to ASX will be posted on Aurora's website. |
| | | The Continuous Disclosure and Market Communications Policy is available on Aurora's website. |
| Recommendation 5.2 | Yes | The Company complies with this recommendation. |

| | | Aurora communicates with Shareholders as follows: |
| | | through releases to the market via the ASX; |
| | | through Aurora's website; |
| | | through information provided directly to Shareholders; and |
| | | at general meetings of Aurora. |
| | | The Shareholder Communications Policy is available on Aurora's website. |
| Recommendation 6.3 A listed entity should disclose the policies and processes it has in place to facilitate and encourage participation at meetings | Yes | Aurora supports Shareholder participation in general meetings and seeks to provide appropriate mechanisms for such participation, including by ensuring that meetings are held at convenient times and places to encourage Shareholder participation. |
| of security holders. | | In preparing for general meetings of Aurora, Aurora will draft the notice of meeting and related explanatory information so that they provide all of the information that is relevant to Shareholders in making decisions on matters to be voted on by them at the meeting. This information will be presented clearly and concisely so that it is easy to understand and not ambiguous. |
| | | Aurora will use general meetings as a tool to effectively communicate with Shareholders and will allow Shareholders a reasonable opportunity to ask questions of the Board and to otherwise participate in the meeting. |
| | | Mechanisms for encouraging and facilitating Shareholder participation will be reviewed regularly to encourage the highest level of Shareholder participation. |

| Recommendation 6.4 | | The Company complies with this recommendation. |
| A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands. | Yes | |
| Recommendation 6.5 A listed entity should give security holders the option to receive | Yes | Aurora considers that communicating with Shareholders by electronic means is an efficient way to distribute information in a timely and convenient manner. |
| communications from, and send communications to, the entity and its security registry electronically. | | Aurora provides new Shareholders with the option to receive communications from Aurora electronically and Aurora encourages them to do so. Existing Shareholders are also encouraged to request communications electronically. |
| | | All Shareholders that have opted to receive communications electronically will be provided with notifications by Aurora when an announcement or other communication (including an annual reports and notice of meeting) is uploaded to the ASX announcements platform. |
| Principal 7: Recognise and manage risk | | |
| Recommendation 7.1 | No | Aurora does not have a separate risk management committee. |
| The board of a listed entity should: (a) have a committee or committees to oversee risk each of which: (1) has at least three members, a | | The Board is responsible for supervising management's framework of control and accountability systems to enable risk to be assessed and managed in accordance with Aurora's Risk Management Policy. Risks are considered at each bi-monthly board meeting. |

- (3) the charter of the committee;
- (4) the members of the committee; and
- (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or
- (b) if it does not have a risk committee or committees that satisfy (a) above, disclose that fact and the processes it employs for overseeing the entity's risk management framework.

However, Aurora has adopted a Risk Management Policy for Aurora which includes the following:

- The purpose of the policy is to:
 - provide a framework for identifying, assessing, monitoring and managing risk;
 - communicate the roles and accountabilities of participants in the risk management system; and
 - highlight the status of risks to which Aurora is exposed, including any material changes to Aurora's risk profile.
- The Board is responsible for the following under the policy:
 - risk management and oversight of internal controls;
 - establishing procedures which provide assurance that business risks are identified, consistently assessed and adequately addressed; and
 - for the overseeing of such procedures.

The Risk Management Policy is available on Aurora's website.

| ASX Principle and Recommendation | Compliance (Yes/No) | Explanation |
|--|------------------------|--|
| Recommendation 7.2 The board or a committee of the board should: (a) review the entity's risk management framework at least annually to satisfy itself that it continues to be sound; and (b) disclose, in relation to each reporting period, whether such a review has taken place. | Yes | The Board has responsibility for the monitoring of risk management and will review Aurora's risk management framework on an annual basis to ensure Aurora's risk management framework continues to be effective. Risks are considered at each bi-monthly board meeting. A review of the Risk Management Policy was conducted during the period. |
| Recommendation 7.3 A listed entity should disclose: (a) if it has an internal audit function, how the function is structured and what role it performs; or (b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its risk management and internal control processes. | No | Aurora does not currently have an internal audit function. This function is undertaken by relevant staff under the direction of the full Board. Aurora has adopted internal control procedures including the following: Aurora has authorisation limits in place for expenditure and payments; a Director or senior manager must not approve a payment to themselves or a related party, other than standard salary/Directors fees in accordance with their Board approved remuneration; Aurora prepares cash flow forecasts which include materiality thresholds and which are regularly reviewed; and The Board and senior management are charged with evaluating and considering improvements to Aurora's risk management and internal control processes on an ongoing basis. The Board considers that an internal audit function is not currently necessary given the current size and scope of Aurora's operations. As Aurora's operations grow and evolve, the Board will reconsider the appropriateness of adopting an internal audit function. |
| Recommendation 7.4 A listed entity should disclose whether it has any material exposure to economic, environmental and social sustainability risks and, if it does, how it manages or intends to manage those risks. | Yes | The Board does not consider that Aurora has a material exposure to environmental and social sustainability risks. However, Aurora's primary operation of manufacturing and supplying 3D metal parts, printers, consumables and accessories is subject to various economic sustainability risks which may materially impact Aurora's ability to operate and to generate value for Shareholders. These include: • Technology development risk: Aurora's financial success is primarily dependent upon its ability to further develop and commercialise its technology. Any new industrial technology is subject to inherent development risks which may have a significant adverse effect on Aurora's financial position, including technical problems in development and new competing innovations or products. • Intellectual property risks: Aurora has applied for various patents in relation to aspects of its technology. Its success will largely depend upon the successful grant and maintenance of these patent applications. The grant of patents applications is subject to various legal and technical matters and there cannot be any assurance that Aurora's applications will be granted or, |
