R&D Tax Incentive Loan Implementation

Aurora Labs Limited (“A3D” or “the Company”) (ASX:A3D) is pleased to announce receipt of loan funds, in the amount of \$500k, against its 2025 Research and Development tax credit.

The loan carries an interest rate of 15% per annum over the 4 month term. No security is provided.

The loan will be repaid from the R&D tax refund which is expected to be received in the September 2025 Quarter.

These funds will primarily be applied to ongoing technology commercialisation, including production plant and equipment for propulsion systems products, and working capital.

FORWARD LOOKING STATEMENTS

This announcement contains forward-looking statements which incorporate an element of uncertainty or risk, such as ‘intends’, ‘may’, ‘could’, ‘believes’, ‘estimates’, ‘targets’ or ‘expects’. These statements are based on an evaluation of current economic and operating conditions, as well as assumptions regarding future events.

These events are, as at the date of this announcement, expected to take place, but there cannot be any guarantee that such events will occur as

anticipated or at all given that many of the events are outside Aurora's control.

Accordingly, Aurora and the directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur. For further information, please contact: enquiries@auroralabs3D.com
