RETIREMENT OF CHIEF TECHNICAL OFFICER

Aurora Labs Limited ("A3D" or "the Company") (ASX:A3D), wishes to advise that Chief Technology Officer, David Budge, has resigned from the Company to pursue other interests.

As one of A3D's founders, David has been with the Company since its inception. He is the inventor of key components of A3D's Rapid Manufacturing Technology, the potential of which is now being demonstrated through our RMP-1 Beta prototype.

The Company will commence a recruitment process to fill this position, while being adequately covered with its capable technical team leaders in the interim period assuring our ongoing technology development pathway progress.

We wish David and his family every success in their new endeavours.

Ends

Approved for release by the Company's Board of Directors.

For further information, please contact: Peter Snowsill,
Chief Executive Officer

ABOUT AURORA LABS

Aurora Labs Limited (A3D), is an Australian industrial technology and innovation company that specialises in the development of 3D metal printers and their associated intellectual property. A3D's suite of technologies is being developed to move 3D printing into high volume manufacturing and is at the forefront of 3D metal printing technology.

We are developing industrial grade, high productivity, high accuracy 3D metal printers to compete with traditional metal manufacturing on a cost-effective basis. A3D fosters a robust discovery culture in its highly skilled team of specialists and is enthusiastic about the future of Additive Manufacturing in the wider industrial technology community.

Aurora Labs is listed on the Australian Securities Exchange (ASX: A3D)

FORWARD LOOKING STATEMENTS

This announcement contains forward-looking statements which incorporate an element of uncertainty or risk, such as 'intends', 'may', 'could', 'believes', 'estimates', 'targets' or 'expects'. These statements are based on an evaluation of current economic and operating conditions, as well as assumptions regarding future events.

These events are, as at the date of this announcement, expected to take place, but there cannot be any guarantee that such events will occur as anticipated or at all given that many of the events are outside Aurora's control.

Accordingly, Aurora and the directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur.
