

ASX ANNOUNCEMENT

1 November 2017

Aurora Labs Receives R&D Tax Incentive Refund of \$1M

Aurora Labs Limited (“Aurora” or “the Company”) (ASX:A3D), an industrial technology and innovation company that specialises in the development of 3D metal printers, powders, digital parts and their associated intellectual property, is pleased to confirm that it has received \$1.0 million from the Australian Government’s Research and Development Tax Incentive Program for activities conducted during the financial year 2017.

Proceeds from the R&D refund will further contribute to the development of Aurora’s Medium and Large format print technology and general working capital. The Company expects that it will be eligible to receive further reimbursement for funds incurred in its R&D programs during the financial year 2018.
