## R&D Incentive Rebate Received

Aurora Labs Limited ("Aurora" or "the Company") (ASX: A3D), is pleased to announce it has received an advance payment from Radium Capital (**Radium**) against future research and development tax incentive funds.

The agreement with Radium, sees the Company receive payment of A\$1,350,000 representing up to 80% per cent of anticipated R&D Refund resulting from expenditure on R&D programs during the current financial year.

The funds will be used for working capital purposes.

The Agreement avoids diluting shareholders and strengthens cashflow. The Company will repay the funds advanced once received from the Australian Government.

Radium supports private and listed companies by paying R&D refunds in advance of their receipt at a minimal cost.

## FORWARD LOOKING STATEMENTS

This announcement contains forward-looking statements which incorporate an element of uncertainty or risk, such as 'intends', 'may', 'could', 'believes', 'estimates', 'targets' or 'expects'. These statements are based on an evaluation of current economic and operating conditions, as well as assumptions regarding future events. These events are, as at the date of this announcement, expected to take place, but there cannot be any guarantee that such events will occur as anticipated or at all given that many of the events are outside Aurora's control.

Accordingly, Aurora and the directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur.
