

1. Purpose

1.1 The purpose of the Privacy Policy (Policy) is to:

- 1.1.1. ensure that Aurora Labs Limited (ACN 601 164 505) (Company) complies with its obligations under the *Australian Privacy Act 1988* (Privacy Act).

2. Application of the Policy

This Policy applies to the services offered by Aurora Labs ("A3D" or "The Company")

3. Personal Information

The Company is committed to safeguarding personal privacy. It acknowledges that individuals have a right to control how their personal information is collected and used. Unless given consent to do otherwise, the Company will only collect and use personal information as outlined below

4. Collecting Personal Information

The Company will not collect any personal information about an individual without their consent. The only personal information collected is what is provided voluntarily or as part of an ongoing relation the individual has with the Company.

5. Tracking technologies

The Company uses tracking technologies such as cookies to help gather anonymous information on their users. Most web browsers are set to accept tracking technologies such as cookies. The tracking technologies do not identify individual users, although they do identify a user's browser and behaviour on their website.

6. Using and disclosing your personal information

Personal information can/will be used for the following purposes:

- 6.2 To fulfill obligations under any sale and purchase contract and/or any other contract between the individual and the Company.
- 6.3 To render services related to the Company's business such as warranty or after sales services.
- 6.4 For the purpose described above, information may be shared with

Company's group companies either in Australia or overseas. Also, in order to operate the website or deliver a service, personal information may also be shared with a service provider, a non-Company group company.

7. Company communications

The Company may contact individuals using the information, which was provided by them in order to:

- 7.1. Provide information that may be of interest about upgrades, new Company products, special offers, new and other matters that maybe of interest.

The Company also reserves the right to send 3rd party information or offers if they deem it suitable.

8. Access to personal information

Individuals have the right to request and access the information that may be recorded on the Company's database. Information may be reviewed by contacting: +6189434 1934.

9. Links to other websites

The Company provides links to websites external to the Company' site. These linked sites are not under the control of the Company, and the Company is not responsible for the conduct of these linked companies or sites, for the performance or otherwise of any content, privacy and/or software contained in such.

10. Further queries

Queries relating to the company's Privacy Policy, or any problems or complaints may be directed to the Company administrators by calling +61894341934

11. GDPR

If your relationship with the Company falls under GDPR laws, please refer to the attachment.

Attachment 1: GDPR

1. Aurora Labs ("A3D" or "The Company") is an Australian innovation and technology company operating under the Australian Privacy Act 1988.
2. An individual whose dealings or interactions with the Company also fall under the EU GDPR regulations can request information about:
 - 2.1. What personal information we hold about them
 - 2.2. The categories of personal information we collect from them
 - 2.3. The purposes for collecting and processing personal information from them
 - 2.4. How long we plan to keep the personal information
 - 2.5. The process to have incomplete or inaccurate personal information corrected or completed
 - 2.6. Removal or amendments of data
3. If you would like access to any personal information and data that we have about you, would like it amended or wish for it to be deleted, you can contact the person you have interacted with to have this amended, or deleted. Alternatively, you can contact us here at Aurora Labs and we will use reasonable efforts to provide it and if required, correct or delete it.
4. Please email: enquiries@auroralabs3d.com
5. Upon sending through an email request, we can provide you with any of the above- mentioned information. Please provide your details when you contact us, with the name of your A3D contact so that we can accurately locate your record. If you request that we amend or delete your personal information from our database by via email, please ensure that you include the information you want to amend or delete. Data amendments and deletion will be processed and confirmed within 30 days of us receiving your email.
